on the organization of the

MedX Conference 2026

This conference provides an important opportunity for high school students, post-secondary learners, professionals, and community leaders to come together for a day of learning, connection, mentorship, and growth. By helping young people explore careers in healthcare, medicine, research, health policy, education, wellness, and community care, MedX plays a meaningful role in inspiring the next generation of leaders. The dedication of the volunteer team and organizers reflects a strong commitment to empowering students, expanding access to professional opportunities, and encouraging young people to see themselves in the future of healthcare.

*Please accept my warmest congratulations and best wishes for a successful and impactful
