It gives me great pleasure to congratulate

Dr. Interested

On the occasion of the

Inaugural MedX 2026 Conference

*As the Member of Provincial Parliament representing the riding of Scarborough Centre, I proudly congratulate Dr Interested and their entire team of volunteers on their **Inaugural MedX 2026 Conference** for their commendable work of connecting young people with opportunities in healthcare, medicine and research.*

Your dedication to bringing this completely youth led and youth run inaugural event to life through months of planning, logistics, marketing and coordination is commendable. Wishing you continued success in the future.
