

August 16, 2026

Dear Attendees,

I am pleased to extend my warmest greetings to all participants of MedX 2026, a youth-led healthcare conference bringing together students, healthcare professionals, researchers, and leaders to explore the future of medicine, healthcare, research, health policy, and education.

As the MPP for Mississauga Centre, Minister of Long-Term Care and Minister of Francophone Affairs, I am proud to support initiatives that inspire and empower the next generation of healthcare professionals and leaders.

Events such as MedX provide valuable opportunities for students to connect with practicing physicians and healthcare leaders, learn from their experiences, and gain a deeper understanding of the many pathways available within the healthcare sector. By encouraging meaningful dialogue and collaboration, this conference helps inspire the next generation to pursue careers that will strengthen and advance healthcare in Ontario and beyond.

I would like to recognize the organizers for their dedication in bringing MedX 2026 together and creating a meaningful experience for young people.

Sincerely,

A handwritten signature in black ink that reads "Natalia Kusendova".

Natalia Kusendova-Bashta, MPP
