

Dear MedX 2026 Participants,

It is my pleasure to extend a warm welcome to all of the students, volunteers, healthcare professionals, and community leaders joining together for this inspiring event. Your commitment to learning, collaboration, and improving the future of healthcare is truly commendable.

I would like to recognize Dr. Interested and the entire volunteer team for their dedication and hard work in organizing this conference. Bringing together young people who are passionate about medicine, healthcare, research, health policy, and education creates valuable opportunities to learn, connect, and inspire one another.

To the students attending today, I encourage you to make the most of every conversation. Whether you are just beginning to explore a career in healthcare or are already pursuing your goals, your curiosity, compassion, and determination will help shape stronger and healthier communities across Ontario.

I hope you leave MedX 2026 with new knowledge, meaningful connections, and renewed inspiration for the journey ahead.

Thank you to everyone who made this event possible, and best wishes for a successful and rewarding conference.

Sincerely,

*Lee Fairclough*
