A MESSAGE FROM MPP SILVIA GUALTIERI

It is my pleasure to extend my warmest welcome to everyone attending **MedX 2026:**
Discover Your Spark in Healthcare!

MedX 2026 is a wonderful opportunity to explore careers in health care, connect with professionals and leaders in the field, and discover the many ways you can make a difference in the lives of others.

This is an exciting time to pursue a career in healthcare in Ontario. Our government is investing in the next generation of health-care professionals through initiatives such as the Ontario Learn and Stay Grant, which has supported 12,900 learners since 2023, as well as \$124.2 million in clinical education funding to support the expansion of nursing education.

At the same time, Ontario is investing approximately \$64 billion in health infrastructure over the next decade, supporting more than 50 hospital projects and approximately 3,000 new hospital beds.

I would also like to recognize the dedicated volunteers and the entire Dr. Interested team for their hard work in bringing MedX 2026 together. Creating opportunities like this for young people takes tremendous commitment, and your efforts are helping them connect with mentors and envision themselves as the healthcare leaders of tomorrow.

I wish everyone a wonderful and inspiring MedX 2026, and I look forward to seeing all that you will accomplish in the years ahead.

A handwritten signature in black ink that reads 'Silvia Gualtieri'.

Silvia Gualtieri, MPP
