

August 2026

Dear Friends,

I would like to welcome and extend my sincere best wishes to all the participants of this year's MedX 2026 taking place at our University of Toronto Mississauga campus on August 16, 2026.

I commend all the young people who are taking a keen interest and initiative to explore the many opportunities in the various medical fields and for exploring the many options available. As an advocate for your young people, I have always said that our youth today are our future history makers.

My sincere appreciation to the group of dedicated people behind Dr. Interested and for providing these opportunities. I am confident the symposium will be a wonderful experience for everyone.

Sincerely,

A handwritten signature in black ink, appearing to read 'Stephen Dasko'. The signature is fluid and cursive, with the first name 'Stephen' and last name 'Dasko' clearly distinguishable.

Stephen Dasko, Councillor, Ward 1
